Educational History

Please return this to me at our next college counseling session on January 17th.

Where did you attend elementary school/ junior high?

Tell me about your transition to CSH?

Did you struggle academically in ninth grade (or beyond)? If so, what strategies did you employ to succeed?

Did you find yourself academically unchallenged in ninth grade (or beyond)? If so, what did you do to seek out further challenge?

Was there anything noteworthy about your social transition to CSH? Did you find it difficult or easy to fit in? What did you do to establish yourself as a member of this community?

What has been your favorite class at CSH? Why?

What has been your least favorite class at CSH? Why

Who has been your favorite teacher at CSH? Why?

What do you appreciate most about your Convent education?

What is the one thing you wish you'd done differently in your time at CSH?

What, in your time at CSH, are you most proud of?

This information will help me understand your background and outlook toward education which will help us find colleges that suit you. This will also help me prepare your letter of recommendation.

I will not share the information with anyone, so please be candid.
